Owner(s) of bitch: _____

Kennel name: _____

Address: _____

Phone: _____

I, _____ swear on this date of ____ - ____ - ____ that I am the legal owner of this Bitch to be bred. Also, that this said above Bitch is legally registered with one of the following clubs: FCI, ENCI, ICCF(CCAA)AKC SABT

The owner of the said Bitch above must provide the following to be considered for breed- with our stud: Brucellosis test (allow with any other test licensed vet sees is needed) Copy of the said bitches hip score papers/certificate, along with Pedigree.

The following will be the responsibility of the bitch owner: All vet bills you may incur during this breeding process, that is before and after pups are conceived and born. Payment arrangements must be made and agreed upon by the parties above before the stud service is rendered. Our Studs never leave our family therefore, is up to bitch owner to deliver bitch stated above to our kennel.

The following are options we will consider for payment for stud service of above stated dog:

- 1) \$1500.00 U.S. dollars, we take great pride in our kennel, and the great line of the rare breeds we have, therefore, we feel this is a fair price to get the outstanding pups we all are looking for.
- 2) \$1200.00 U.S. Dollars, and one pick pup back.
- 3) No cash, with first and third pick pup going to King of the Cages for payment of stud service. If any pick pups are due to King of the Cages, for the stud service, we get first picks, before any pups can be sold or spoken for. We will either come to you to pick pup, or the pick will be done via email if necessary.

The agreed fee for stud service is non-refundable. If for any reason the said above bitch fails to conceive, proof must be shown by a licensed Vet, stating the bitch was not pregnant, nor delivered pups from the last heat, then and only then will we

allow one more breeding with the said above bitch and stud. If then, your bitch does not conceive, we are not responsible to refund any money nor be responsible for another breeding.

If only one pup is born alive, then this is still considered a litter. And it will be due to King of the Cages unless other arrangements are made and written and signed in this contract, or only if no pups are due to stud owner.

If for any reason the above terms of this contract are not met, King of the Cages will proceed in further legal action. If this needs to be done, the owner of bitch will be responsible for our court cost and any expenses that may incur during this process. This is a legal contract, and we take our breeding program very serious.

By signing the following, both the stud owner, and bitch owner agree to the above said terms and conditions, and agree to take full responsibility for the said contract.
